Well Abandonment Report
Request for Extension

Dear Mr. Bao:

Atlas Environmental Engineering, Inc. (ATLAS) is in receipt of your letter dated May 31, 2005 requesting well abandonment activities to be accomplished at the above referenced site. ATLAS received on July 14, 2005, authorization to proceed with preparation of the required work scope from the owner, Mr. Jack Shafer. Unfortunately, the July 15, 2005 deadline for submittal of the report of well abandonment cannot be met as ATLAS must submit the required well destruction applications and schedule the drilling activities. Therefore, an extension is requested until August 31, 2005 for submission of the report. If the request for this extension is not acceptable to your office, please contact the undersigned at (714) 890-7129.

Very truly yours,
ATLAS ENVIRONMENTAL ENGINEERING, INC.

Karen Blanchard
Project Geologist
